Workshop on Artificial Intelligence,

WAI 2022

Online (Initially located in Chennai, India)
27th January – 28th January 2022.

Organized by Advanced Computing Research Society

Proceedings

Edited by Valentina Emilia Balas and Geetha Ganesan

Preface

Editors of the Proceedings

1. Dr. Valentina Emilia Balas,
   Professor,
   Aurel Vlaicu University of Arad, Romania

2. Dr. Geetha Ganesan,
   Advanced Computing Research Society,
   Chennai, Tamilnadu, India

About the Workshop

Call for Papers for "Workshop on Artificial Intelligence" soliciting research and good review papers was circulated through emailers and social media platforms. The workshop received Eleven papers and the Technical Program Committee accepted six papers for oral presentation. Initial screening was done using Turnitin Plagiarism software. The papers were evaluated on the basis of completeness, relevance to the workshop, originality, novelty, technical quality, structure and presentation of the paper and adequate references to previous work. Every paper was reviewed by 3 reviewers and the review comments were shared with the authors for incorporating the suggestions and comments.

The organizers hosted the workshop in online mode from Chennai, India. Workshop was attended by 23 participants in total from India, Italy, Malta, Australia, Peru, United Kingdom and USA.

We are thankful to the CEUR Workshop Proceedings (CEUR-WS.org) advisory and management team for publishing this open access conference proceedings. We thank all the Committee members for their valuable inputs and time, for making this workshop very successful. We thank all the authors and presenters for disseminating their research outcomes through this workshop. We appreciate each and everyone involved to make this conference meaningful.

Topics of Interest

Investigations related to following topical areas of research were encouraged to be presented in WAI 2022 - Intelligent systems, Machine learning, deep learning, pattern recognition, natural language processing, reinforcement learning, Computer vision, Automation, knowledge-based system, cognitive computing, soft computing, speech processing.

Program Committee

Dr. Anna Bartkowiak, University of Wroclaw, Poland

Dr. Babita Pandey, Babasaheb Bhimrao Ambedkar University, India

Dr. Cheng Siong Chin, Newcastle University, UK

Dr. Guoxin Su, University of Wollongong, Australia

Dr. Kien Nguyen Thanh, Queensland University of Technology, Australia

Dr. Lalit Garg, University of Malta, Malta

Dr. Marimuthu Palaniswami, University of Melbourne, Australia

Dr. Partha Mukherjee, Penn State Great Valley, Malvern, PA, USA

Dr. Rajiv Misra, IIT-Patna, India

Dr. Sonal Jain, JK Lakshmipat University, India

Dr. Saeed Mian Qaisar, Effat University, Saudi Arabia

Dr. Virender Ranga, NIT Kurukshetra, India
