Workshop Proceedings of ICCBR 2024

I am pleased to present the workshop proceedings of the 32nd International Conference on Case-Based Reasoning (ICCBR 2024) held from July 1-4, 2024, in Mérida, Mexico. The proceedings include the contributions of the following workshops and the doctoral consortium:

- **CBR-LLM: Case-Based Reasoning and Large Language Model Synergies, pp. 2–38**
- **XCBR: Case-Based Reasoning for the Explanation of Intelligent Systems, pp. 39–80**
- **AI-Track: Special Track on AI for Socio-Ecological Welfare, pp. 81–227**
- **ICCBR Doctoral Consortium 2024, pp. 228–250**

I would like to express my gratitude to everyone who contributed to the success of this year's workshop program. My special thanks go to the authors and presenters, whose research insights formed the basis of the workshops. I also want to thank the members of the program committee for their valuable time and their efforts as reviewers, which ensured high-quality submissions. A special "Thank You" goes to the workshop organizers for their hard work in developing an engaging collection of workshop programs. Additionally, I am also grateful to the program chairs and local chairs of ICCBR 2024 for their efforts in planning the event and their continuous support.

I hope that the authors and other participants enjoyed this year's workshop program and find these proceedings to be valuable resources for advancing their research.
