ARTIFICIAL INTELLIGENCE AI 2025

Proceedings of the Workshop

November 19-20, 2025

Almaty, Kazakhstan

Preface

The Workshop on Artificial Intelligence (AI 2025) was successfully held on November 19-20, 2025, in Almaty, Kazakhstan at the International Information Technology University in the offline format.

The goal of the Workshop on Artificial Intelligence was to provide a platform for discussing recent advances, emerging trends, and practical applications of AI technologies, fostering interdisciplinary collaboration and knowledge exchange among researchers, practitioners, and industry experts.

The Workshop received 35 submissions, and 23 of them were selected for publication. Scientists from all over Kazakhstan, as well as representatives of the industry, took an active part in the event. In addition, researchers from Ukraine, Slovakia and the Republic of Korea also made their contributions.

We would like to express our gratitude and appreciation to all the participants of AI 2025 and the Organizing and Program Committee.
