Preface

It is our pleasure to present the proceedings of the The 7th International Workshop on Intelligent Information Technologies & Systems of Information Security (IntelITSIS-2026), held in Khmelnytskyi (Ukraine) on July 3, 2026.

The workshop is organized by Computer Engineering and Information Technologies' Department at Khmelnytskyi National University with the support of the PUBLIC ORGANIZATION "UKRAINIAN SCIENTIFIC AND EDUCATIONAL IT SOCIETY".

The IntelITSIS-2026 focuses on all technical and practical aspects of the latest research and results of international academicians, scientists and practitioners related to intelligent information technologies & systems of information security. This workshop provides opportunities to exchange new ideas, to establish business or research relations and to find global partners for future collaboration. We hope that the workshop results make a significant contribution to the development of intelligent information technologies & systems of information security in Ukraine.

International Program Committee has 20 members. 100% of the IntelITSIS-2026 International Program Committee members have more than 15 DBLP papers. There are the representatives of 7 Universities from around the world (Zilina University, Newcastle University, Leeds Beckett University, Oxford Brookes University, University of Vienna, Comenius University in Bratislava, Silesian University of Technology) and of 4 Ukrainian Universities (Khmelnytskyi National University, Lviv Polytechnic National University, National Aerospace University "Kharkiv Aviation Institute", Kherson National Technical University).

Workshop received 45 submissions from Ukraine and the world. All papers were evaluated by 2-3 reviewers. Based on the reviews, a rating of papers was compiled. Papers with a positive average scores were accepted for presentation at the Workshop. According to decision of the International Program Committee, 16 papers (28% acceptance rate) were accepted for Workshop.

The IntelITSIS-2026 joined scientists from Ukraine, Slovakia, United Kingdom, Czech Republic, Austria, Poland, Estonia, Egypt, Algeria and China. In general, the representatives from 10 institutions from around the world, and 13 Ukrainian institutions (a total 23 institutions) took part in the Workshop.

We would like to thank the members of International Program Committee and Organizing Committee, and external reviewers for their excellent and tireless work. We sincerely thank everyone for a fruitful work and interesting presentations! We hope that the workshop results make a significant contribution to the development of intelligent information technologies, and information security systems in Ukraine, United Kingdom and in the world.
